IV. Item(s) For Discussion

A. Facility Condition Assessment Update

Three proposals were received: Gordian, ISES and Farnsworth. The initial cost for the Assessment was approximately \$50,000. The proposal from Farnsworth far exceeded that cost. The Facility Team chose to evaluate Gordian and ISES.

Brad provided guidance with the scoring sheets - including looking at the affordability issue. Noteworthy, both Gordian and ISES use industry standard software to house data. Before the presentation, each member should draft a score based on the proposal, then complete a day of scoring sheet after the presentation and compare the two. Brad will Zoom into the presentations, and following, will enter the scoring data to produce an overall summary.

The vendors will be contacted to set up evaluation dates. After evaluations are complete, the team will submit their recommendation to the Board of Trustees Meeting scheduled for August 1. Following Board approval, a Notification of Selection will be sent.

Russ made a motion to evaluate Gordian and ISES, Dwayne seconded the motion. All members voted in favor and the motion carried.

- *ISES - Wednesday, July 27 at 10am CST*
