**I. Call to Order**

**II. Approval of September 26, 2022 meeting minutes:** there was not a quorum, zoom link was not working, so a few attendees were not able to participate.

**III. Additions to the Agenda**

**IV. Items for Discussion**

**A. Risk Management Plan was completed on 08-25-2022.**

**B. Community Assembly, 9-21-2022**

Overall Safety Plan Items include: identify all safe zones prior to the first drill; virtual tour to navigate locations of fire extinguishers, AED, safe zones; how to respond to drill and location o highlighted maps throughout the buildings; reminder that office keys will open classrooms; calling 911 when no signal, please call Virginia; update all building monitors regarding responsibilities and reminder that ALL doors are exits, but not all allow for reentry.

**C. First Aid Kits**

Vicky Cornelissen will be responsible for ordering kits and replenishment.

- A label will be placed in each kit, to contact Vicky in the event a supply is no longer available.
- Vicky will check kits each semester.
- Vicky will create a log of where each kit is located.

First Aid Kits should be updated with supplies.

- a. Basic Electricity kit needs to be refilled.
- b. Welding does not have a kit.

Don will order more hex keys for distribution to building monitors. – Three more keys to be ordered.

**D. Update on Frequency of Drills**

- Fire Drill will be October 12, 2022 at 9:45 AM

This should give students time to exit the building and return to class on time for 10 am classes.

At 9:45 am the alarm will go off followed by an audio recording instructing everyone to exit the building using the closest exit.

Once the building monitors determine that building is cleared a chime will sound followed by instructions that say the building emergency has been cleared. This is when we can enter the building.

- Don will announce the “all clear”.
- Vicky will establish a meeting with Building Monitors prior to the fire drill. (Both previous monitors and new monitors).

**G. Gymnasium / Bleacher Update** - Work is progressing, currently removing the subfloor, then the laying of the wood floor, painting and top seal. Needs time to cure/dry then the bleachers will come in for installation. We are still looking for a completion of December 2022.

**H. Ballfield Road Construction Update** – Work has started, and we are striving for a three-week completion date (not including installation of lights/poles). Culverts were added with drain pipes. An asphalt road will be created to the tennis courts for additional parking. (Tennis court asphalt will need to be re-sealed to be included with the rest of asphalt project).

- Lighting will include 8 poles, with a switch that can be turned on and off.

**I. Active Shooter Training** – Eric is going to work with local law enforcement to assist with training, would like to also include students with this training. A date will need to be selected.

**V. New Business** – no new business.

**Adjournment**
