## **Statement**

Shawnee Community College values the input from its stakeholders, and surveys are a popular method for gathering information and feedback to be used to further the interests of the college and aid in making data informed decisions.

## **Definitions**

[Link highlighted to the [Data Governance Procedures](#) and Definitions]

**Stakeholder** – prospective students, current students, alumni, faculty, staff, employers, and community members.

**Survey** – any means of data collection in which questions are presented to participants in a paper, oral (e.g., interview, focus group), or electronic (e.g., email, web) format for the purpose of evaluating/assessing College programs, functions, or services; or gathering feedback from respondents for decision-making and continuous improvement. Respondents include, but are not limited to, prospective students, current students, parents, alumni, faculty, staff, administrators, employers, and other community members.

**Surveyor** – a college employee or unit who administers a survey in accordance with these procedures and the associated policy.

**Survey archive** – a file that contains a copy of all surveys, datasets, and associated reports that are generated by the surveyor(s).

## **Roles and Responsibilities**

The Office of Institutional Effectiveness will:

- Provide consultation on the development and administration of surveys and analysis of results.
- Review and approve survey requests, including those requests from researchers outside of SCC (e.g., doctoral students with IRB approval through their own institution).
- Maintain a survey archive.
- Annually review the scope and effectiveness of this policy and associated procedures.

Surveyors requesting to conduct surveys will:

- Work with the Executive Director of Institutional Effectiveness on creating a survey instrument or submit a draft for review **prior** to implementing a survey.
- Provide the Office of Institutional Effectiveness with a copy of all datasets and associated reports of findings.

## **Survey Approval**

1. The surveyor(s) who wishes to administer a survey must first obtain approval from their respective supervisor.
  - Surveys sponsored by faculty must have the approval of the relevant Dean.
  - Surveys sponsored by administrative/student affairs departments must have the approval of the relevant Director.
  - Surveys sponsored by a Shared Governance committee must have the approval of the relevant Vice President.
2. The supervisor must send written approval to the Executive Director of Institutional Effectiveness.
3. The surveyor(s) must provide the Office of Institutional Effectiveness with copies of all materials related to conducting the survey at least three weeks in advance:

NOTE: \*See **Data Governance** for the framework to ensure data integrity and **Institutional Evaluation/Research (A1300.15)**
